Unlike most other competing Physical Chemistry text books on the market, our solution manuals are completely free of cost. These contain the solutions to all the problems as worked out by students themselves. This peer learning model is a valuable asset for students. Rather than a CD at the end of a book, or having to go to a publisher's web site, all the multimedia is integrated into the ...

If you're a student forced to use this text  
because your school requires it, I advise  
you to get other textbooks and solutions  
manuals to learn the material. That will  
be costly, but your grade will likely  
suffer if you rely solely on this text. This  
textbook is far from a complete source  
to learning physical chemistry at the

The first 10 chapters of the eBook Physical Chemistry text book by Laidler, Meiser and Sanctuary. This edition preserves many of the popular features of the former hard copy editions and added many more. The material has been updated, and because the material is electronic, updates are quickly implemented. The solution manual is also included.
