Learn to Listen, Listen to Learn, Third Edition - Pearson ...

Learning to listen means learning to actually pay attention to -- to concentrate on -- what other people are saying. Listening to their words as if listening to a favorite song, with your mind focused on what they are saying and what it means. Concentrated listening is also called "active listening" or "deep listening."

Learning to Listen | HuffPost Life

Listening is probably the least explicit of the four language skills, making it the most difficult skill to learn. This chapter begins with a brief overview of cognitive processes involved in listening and their implications for L2 listening instruction.
