Houston's last postseason meltdown led to the end of ...

The collapse was so severe that it set civilization back about 500 years. Technology became less sophisticated than it had been in pre-Roman Britain in both British and English areas. Roman Londinium had a population of about 60,000 people at its height and it took a millennium to reach that level again.

Lebanon's crisis: the end of the illusion

Market Meltdown By Todd Strandberg. It has been absolutely stunning to behold the meltdown on Wall Street. Over the past few weeks, I have witnessed financial events that most economists would have never thought possible. All this activity reminds me of the insanity that occurred in the 2008/2009 Great Recession.
