In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

### Q A Human Rights And

Human rights are moral entitlements that every individual in the world possesses simply in virtue of the fact that he or she is a human being. In claiming our human rights, we are making a moral claim, normally on our own government, that you cannot do that, because it is a violation of my moral sphere and my personal dignity.

### Questions and answers about Human Rights - Council of Europe

Human rights are rights inherent to all human beings, regardless of race, sex, nationality, ethnicity, language, religion, or any other status. Human rights include the right to life and liberty, freedom from slavery and torture, freedom of opinion and expression, the right to work and education, and many more.
